Bulldog Is Symbol Of Waukegan's Spirit

BECAUSE the bulldog suggests stability, vigor, and strength it is fitting that he should be the symbol of our school. His pugnacious jaw implies tenacity and endurance. These qualities symbolize W.T.H.S. in sports and other competitive activities. Like the bulldog, we may be losing, but we are still fighting. The bulldog's massive head implies ample room for storing knowledge. In their four years of high school, students must store much knowledge. The bulldog's easy, rolling gait suggests the care-free manner in which students enjoy life. Last, but not least, as the bulldog is known for his fierce looks, so many students regard the faculty as being stern. However, as the bulldog is actually mild-tempered and friendly, so are our teachers, once we learn to know them.

In the pages of this book we have tried to portray for you the story of this school year at Waukegan Township High School, the home of the Bulldogs.

Faculty

A trained faculty headed by an alert administration and working in a modern equipped school is the pride of any community. The WTHS Bulldog spirit poses as a formidable defender of freedom and democracy.

High School Board Represents Citizens

THE High School Board of Education is an elective body chosen by the voters of the Township. They represent the citizens of the community and serve without remuneration. The Board determines high school policies, levies the Township school tax, and designates the allocation of funds to the various areas. The 1951-52 board of ten members has been reduced to eight for the ensuing year. The group retains an attorney for legal counsel. The Board president is chosen by the group from among its own membership. At the April, 1952 election, Mr. Hultman and Mr. Drysdale retired from the board and Russell F. Kirby was elected for a three-year term. Robert L. Jones replaces Mr. Hultman as president for the coming year.

Superintendent Clarence E. Prichard

As the administrative head of the High School, Superintendent C. E. Prichard coordinates the efforts of the school board, faculty, and student body. Mr. Prichard has served two years in his present position. His more than thirty years of service to W.T.-H.S. in the capacity of classroom teacher, department head, and later as assistant principal, and principal have qualified him for his present position of educational leadership in the community.

Through Superintendent Prichard's office pass many important matters of business concerning school policy and procedures. Both student and faculty welfare are vitally affected by decisions made in the superintendent's office. Mr. Prichard's interest in school problems and his enthusiasm for the success of the entire program has helped Waukegan High School retain its high position in state and national educational circles.

Franklin V. Lehn, WTHS Principal

FRANKLIN V. LEHN is completing his second year as Principal of W.T.H.S., having come here from a similar position at Norwalk, Ohio in 1950. The Principal's office is responsible for the direction of guidance activities, the program of classroom supervision and visitation, and the administration of the club and extra-curricular program. This office has indirect custodial care of grade records, the administration of such auxiliary services as Library, Speech Correction, and Sight Saving, serves as a source of referral for special discipline and attendance problems, and the correlation of school-sponsored trips. Another important function of the Principal's office is that of a clearing house for ideas and problems of mutual interest to parents, students, and teachers. Two noteworthy changes this year have been those affecting the method of reporting and checking attendance and the method of conducting subject-registration.

Office, Clerical and Auxiliary Staff

WITHOUT the help of the Office, Clerical, and Auxiliary Staff our school could not be operated smoothly. This group consists of office clerks, secretaries, the attendance and bookroom clerk and others. The school doctor and nurse work together to keep the boys and girls physically fit while they are in school. Dr. Robbins, the school physician, is not pictured here. Taking care of the information desk and the switch board are two of the many duties of the receptionist. With the assistance of her staff, Mrs. Louise Love, cafeteria manager, prepares delicious and nourishing meals daily for the students and teachers. The activities cashier has the job of collecting class dues, book bills, and other monetary duties. The attendance secretary has the responsibility of checking the attendance of the pupils each day. Not pictured with this group are Miss Rita Stefanich, who held the position of secretary in the Industrial Office during the second semester, and Dr. R. H. Robbins, school physician.

DIRECTED by Nelson Duncan, superintendent of buildings and grounds, the high school maintenance staff is a busy group. Their work goes on all through the year in order that the school plant be kept in working trim. Under their care comes not only the classrooms and corridors, but also the campus lawns, walks, the drill field, the swimming pool, the gymnasium, the Weiss Field bleachers, field house, track and playing fields, as well as the school heating and ventilating plant. This staff is an important link in the total operation of the high school.

Council Promotes Student Government

THE Student Council idea is a rapidly growing one. It is a part of the philosophy tha young people will learn through activity, and that schools teach attitudes and behavio patterns as well as specific skills and knowledges. Student Council is a laboratory in whic democratic procedures and experienced leadership are developed, and characteristics of de pendability, initiative and compromise are learned. Waukegan's Council is composed o fifteen boys and girls elected by their fellow students. They meet daily, fourth period with their advisor, Miss Eleanor Moore. In addition to this administrative group, eac class elects a class council which represents each homeroom.

Activities Stress Democratic Procedures

STUDENT Council represents the student point of view to the faculty and administration. The Council initiates some activities such as general assembly programs, two all-school dances, a faculty tea, the care of two European Foster children, supervision of the halls and cafeteria, granting of honor "W's" for service to the school, selling accident insurance, and the taking of underclass pictures for the Annual. This year, Council arranged the use of student ID cards, planned our first student-talent assembly, and aided in final plans for a student handbook. An effort was made to encourage grade school councils by inviting representatives to visit WTHS. Our Council is a member of the Northeast District, State, and National associations of Student Councils. Members attended conferences at Hinsdale and Peoria. Kay Dietmeyer served as a district officer. Kay Russell served on the student advisory board national magazine, *Student Life*.

INFORMATION on all school activities, including clubs, organizations, social life, and classes was gathered early in the fall as a beginning step in producing the 1952 Annual 'W'. Seventeen students of various school interests were organized into a staff under the sponsorship of Mr. Edwin C. Meslow, editorial advisor. Instead of the usual plan of having an Editor-in-chief, special editors were chosen to plan various sections. Photography was done by members of the Camera Club with John Bauer and Steve Vapnar working directly with the staff. Activities from the first day of school in September until the day school closes in June are included in the Annual as a permanent record of the school year.

Room 146 Is Center of Daily Activity

MEMBERS of the staff were divided into groups, depending on their interests and knowledge of areas involved. Heading the Classes section was Lorraine Woods. Working with her were Betsy Woodman, Laurni Wilson, and Nancy Flagg. The Faculty and Departmental section was handled by Audrey Boltz, who also served as production editor for the book. She was assisted by Jean Powell, who also worked on the art details. Jane Larson was editor of the "Bulldog" theme.

Virginia Mulvaney had charge of the School Life section, assisted by Phyllis Haimi. Marcia Wood edited the Music Section. The Boys Sports section was edited by Melvin Luke assisted by Ken Epker, who also handled the Military area. Mercedes Tompkins and Gail Torfin had charge of Girls' Sports. Judy Wilson, along with the rest of the staff, planned the clubs and organization section. Typist was Phyllis Haimi. The ads were sold by Jerry Cray and Louis Kerpan under the supervision of Mr. P. L. Schoenoff, business manager. John Wicklund drew the bulldog sketch figures.

AUDIO-VISUAL serves many classes in WTHS by supplementing the regular shop and classroom instruction. Types of equipment used include sound and silent films, slides, records, transcription records, posters, charts, and models. The machines are operated by students and are under the direction of Orlin D. Trapp. Mrs. Neary takes charge of recording films being checked in and out. Maintenance, running, and return of these machines is taken care of by students. The P.A. system which is used during basketball games, assemblies, dances, and club meetings, is also a responsibility of this group. These students have proven themselves efficient and dependable in their service to the students and to the school. They meet in a group the first Wednesday of every month in the Industrial Office.

Photo Fans Active Group

Camera Club provides an outet for the interests of high chool boys and girls who follow photography as a hobby. At the weekly meetings the members liscuss their problems and exchange ideas about their hobby. A series of programs relating to various phases of photography was presented at open meetings throughout the year. The club also sponsored an exhibit of seventy-five prize winning prints from the National High School Photographic Awards contest.

A major activity on the part of the advanced members of the group is the picture coverage for the high school publications, the Annual "W" and the Student "W" World. This assignment entails many extra hours a week, and necessitates the photographers' presence at all school activities, on school hours, evenings, and week ends.

Officers this year were: John Bauer, president, David Zelen, vice president, and Charles Meslow, secretary. Edwin C. Meslow is the faculty sponsor.

Newspaper Staff Follows Lively Routine

A continuous cycle of activities, typical of any newspaper, constitutes the routine of the Student "W" World staff. A weekly student and faculty publication, the paper is written and edited by the students themselves, and is printed here in the school print shop.

Deadlines, headlines, scoops, and "thirty" become a vivid part of a staff member's vocabulary.

Student "W" World is an elective course and is open to any student who has a high average in English. The staff meets as a class daily in room 147 under the faculty advisorship of George Reid. Mr. Paul Schoenoff advises the business end.

An annual Student "W" World social is the between semester Hobo Rally. Local merchants donated prizes that were given to the King and Queen, Hank Moss and Sheila Polvey. Other prizes were awarded to the winning jitterbug couple, Steve Labiris and Zari Paparigian.

Student 'W' World Initiates New Features

SOMETHING entirely new to the school was the Student "W" World-sponsored "Cupid's Couple of 52" contest. Through ballots appearing in the paper, Dody Teeling and Jim Reiger were elected to this honor. They were featured in the Valentine's Day issue and received a portrait of themselves as a prize.

Again this year the publication received a second-class rating in the N.S.P.A. judging, which was higher than the previous year.

A thorough coverage of activities in which there is student or faculty participation is presented by the Student "W" World.

The Classes

The exemplary qualities of the bulldog are emulated by the leaders in each of the four high school classes. Promotion from Freshman to Senior status requires four years of schooling, but real growth is measured by character, leadership, and appreciation of service to others.

The happy smiles of the Seniors above are in anticipation of their graduation. They led their class through its most important year in high school. Left to right, they are: Rudy Bandovich, vice president; Ronnie Sondee, president; Rhea Mackey, secretary; and Dan Butkus, treasurer.

Seniors Wind Up High School Careers

GRADUATION tradition was broken by the Class of 1952 as they went through their exercises in four consecutive days with Commencement on Tuesday night instead of the usual Thursday night activity. Sixteen Seniors, selected through homerooms, supervised and planned the activities. The Commencement Committee, directed by the Misses Eva Oke, Margaret Perucca, and Vera Jerg, chose blue as the color of the caps and gowns. Those chosen for commencement speakers were Arnold Ounapu, Nancy Sustersic, Peggy Totterdell, and Jean White. The Class play was "Mr. Barry's Etchings".

Honor Society Boasts School Leaders

At right, SOCIETY OFFICERS. Left to right: Ethel Burger, Stanley Ackerman, Jean White, Paul Wille.

Above, HONOR SOCIETY MEMBERS. Seated, left to right: Peggy Totterdell, Barbara Waldorf, Loretta Wasil, Janice Sekulich, Carol Saari, Alice Inness, Teresa Bittner. Standing in second row: Harriet Ward, Charlotte Peterson, Jean White, Mary Lou Werner, Audrey Boltz, Lillian Jenkins, Ethel Burger, Florence Hussey, Argerie Vehos, Pat Tomkowicz. Standing in last row: Paul Wille, Robert Hagman, Arnold Ounapu, Paul Kamschulte, Stanley Ackerman. Not shown in picture are: Maria Dracos, Darlene Larsen, and Meline Pilibosian.

SCHOLARSHIP, service, leadership and character are characteristics of the members of the National Honor Society. Since only fifteen per cent of a class is eligible for membership, being a member of the Honor Society is one of the greatest honors that one can receive in high school. The names of the senior students who are in the upper third of their class, plus the names of the junior students who have received nothing lower than a B on their report cards are placed on a list which is given to all faculty members. The Faculty then vote for the students which in their opinion would be the best for Honor Society Membership. Miss Helen Cunningham, and Mr. David Fields are the sponsors.

Juniors Are Poised For Home Stretch

ADVANCING to upper classmen, this year's junior class now look back through one of their most pleasant and successful years. Despite the pressure of school work the juniors experienced, they also found time for social events. Top event of the year was their Junior Prom, Parisian Paris, held on May 3. Music was supplied by Frank Laurie's Band. Outstanding French features comprised the decorations as the gym was transposed into a French Garden for the evening. Faculty class sponsors were Miss Elizabeth Craine and Mr. George Reid.

Frosh Class Gets Off To Flying Start

IN September, 1951, 547 eager and enthusiastic Freshmen entered the portals of W.T.-H.S. The freshmen first had the pleasure of planning their class party which was held October 26 in the gym. They enjoyed refreshments, a talent program, and dancing. Election of the class officers on November 5 was the next venture of the class. The officers did a fine job of leading the class through its first year of high school. The class sponsors were Mr. Veairnell White and Mr. Glenn Anderberg.

RUDOLPH

Organizations

School clubs and organizations at WTHS serve a dual purpose. They provide a medium for student self-expression under conditions that are less formal than the average classroom. Clubs also give students experience in group leadership and co-operation toward a common goal.

Poster Club Publicizes School Doings

Lower picture, POSTER CLUB OFFICERS. Left to right: Marilyn Fleming, vice-president; Carol McGrain, secretary; Irene Olson, publicity chairman; Nancy Blumberg, treasurer; Jean Palo, president.

Top picture, POSTER CLUB MEMBERSHIP. Left to right, seated: Rosemary Kurtock, C. A. Jickling, sponsor, Carol McGrain, Helen Hughes. Standing: Sharon Andrews, Sharon Gray, Arlene Kantola, Ann McSorley, Janice Sables, Marjorie Hoffmeier, Johnny Wickland, Irene Olson, Jean Palo, Jack Diamond, Marilyn Fleming, Janet Wilkins, Nancy Blumberg, Susie Makela.

MEMBERS of the Poster Club help other clubs by making posters and bulletins to advertize activities. This club enables art students and others who are not taking art to belong to another club that is part of WTHS's extra-curricular program. The members of the club, with Mr. C. A. Jickling, sponsor, took trips to exhibits and art centers so that the students would have a wider appreciation of the artistic world.

This year the Poster Club sponsored a square dance, "Barn Bounce". Mr. Bevier Butts called the dances. Rubin Olson's three piece band furnished the music. The students were permitted to wear levis,—a change from the no levis or slacks rule. All had a good time dancing the "Texas Star," Dip and Dive," "Right Hand Lady," "Paddy Kick Polka," and many others.

JUNIOR Classical League is open to all students enrolled in Latin classes, or who have completed one year's study of the Latin language. Faculty sponsor is Miss Lu Catherine Gayton. At one meeting, Ann Callahan told about her travels in Europe. She showed slides of many places of interest. The Christmas program consisted of a Latin quiz and an exchange of presents. Refreshments were served at the end of the party. The District Tournament was held in March at LaGrange. First year students who attended were Sandra Buckley and Sarah Doolittle; second year students were Nancy Torma and Margaret Hulse. The annual banquet was held on April 23 with Carolyn Pringle as general chairman.

THE last three Mondays of every month, the Y.W.C.A. clubhouse is filled to capacity with W.T.H.S. girls. The purpose of the club is to serve the community and strive to keep friendship and tolerance between races and religions. Y-Teen members plan parties, dances, and other social events through the year.

First to get the freshman girls acquainted with the upper classmen, the girls had a Pot Luck supper, called "Big Little Sister." Thanksgiving baskets were given to a needy family in Waukegan. The members sponsored "The Turnabout Twirl" which was a leap year dance held in the clubhouse. The "Shambow Reel" was held at the Elks Center for a traditional St. Patrick's Day celebration.

THE Future Teacher's Club will now come to order. One is likely to hear that coming from room 226 on the first and third Thursdays of each month. The club will be brought to order by the president, Nancy Sustersic, or by the vice-president, Shiela Pavey. After that the secretary's and treasurer's reports will be given by Mercedes Tompkins. This club is sponsored by Mr. C. E. Melton and Miss Lydia Boynton. Encouraging students of good character and above average ability to consider teaching as a profession is the main purpose of this club. During the school year 1951-52 sixteen students were active in this worthwhile club. The Future Teachers were represented by a float in the homecoming parade. In October they had installation of new members. In December the Future Teacher's had a Christmas party. Refreshments were served after dancing. Spring Blossom, the all-school dance they sponsored, was held on March 21. The Future Teacher's Convention was held in Springfield on April 26.. Two representatives were chosen to represent this club.

German Students Have Their Own Club

"SPRECHEN Sie Deutch" (Do you speak German?) "Jawoh!" (yes) say the members of the Die Deutche Gesellshaft, better known as the German club. All students who have taken or who are taking German are qualified for membership. Meetings are held in Miss Bess Dady's classroom. The best remembered meeting was the annual Christmas Party, held previous to the Christmas holiday in Miss Dady's room. It consisted of German skits, games, and songs. The use of German customs and food gave the students a better understanding of the people whose language is being studied. Every third Wednesday of the month the thirty members meet with Fred Lippert, president; Harold Knox, vice-president; Mary Ann Nuding, secretary; and Kay Franke, treasurer. Aims and purposes of the German Club are for cultural use, to provide further opportunities for the study of the language, background and environment of the German people. "January Thaw," held on January eleventh, was the after-game dance sponsored by the German Club, with Slide Rule Clubs as co-sponsor.

Le Circle Francais met on the first Tuesday of every month in room 124. Included in these meetings were skits describing French customs, traditions, and ways of living which were acted out by the members of the club. Myrna Johnson, refreshment chairman, planned for refreshments to be served at every meeting. All students who are taking French or who have taken French are eligible to become members and to participate in the club's activities. These students were sponsored by Mr. Julian Hills. To give a better understanding of the French language and customs is the club's purpose.

A Christmas party consisting of singing folk songs, a French quiz, games, and refreshments was enjoyed by the members. "Twerp Trot", the annual dance, was sponsored by the club after a basketball game in February. Another activity the members participated in was a trip to Chicago during which they went to a movie and then out to dinner at Jacques. Marilyn Fleming was general chairman of this trip. Being guests at the History Club Banquet, which was held in January, was another one of their activities.

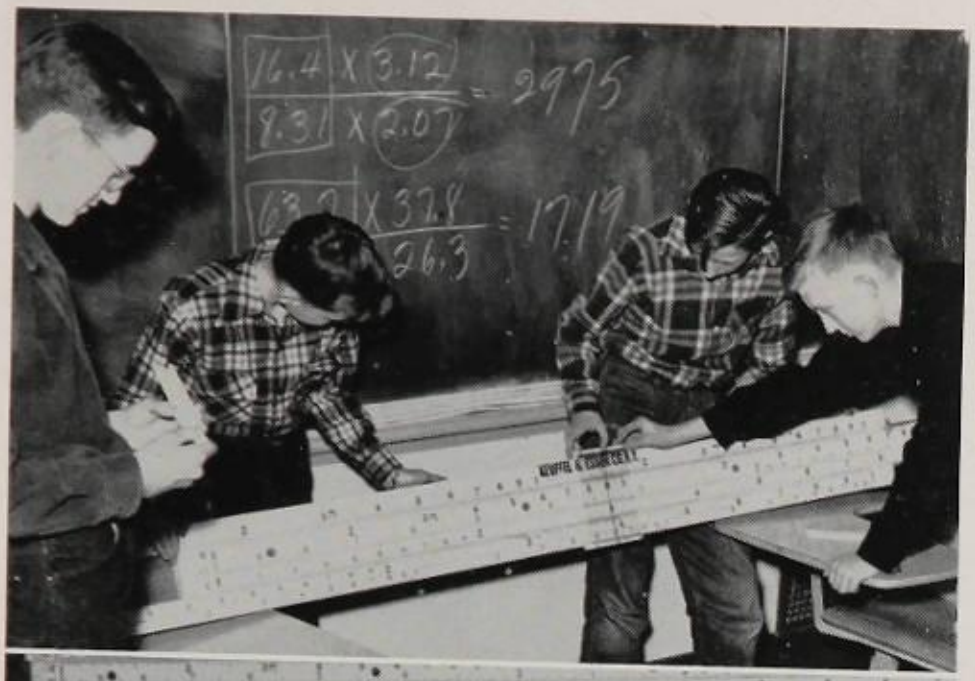
Jr. Red Cross Stresses Service

STRIVING to serve others, Jr. Red Cross offers a continuous program of activities. Under the sponsorship of Mrs. Evelyn Bils, school nurse, Jr. Red Cross is the only club to boast an all-school membership. The annual fund drive held in October laid a firm foundation for the club's activities. Jr. Red Cross supplied two needy local families with Christmas baskets. Profits from the dance held March 7 were used to purchase eye glasses for three WTHS students who were not otherwise able to purchase the needed aids.

Other projects included publicizing the senior fund drive and securing donors for the Blood Bank. Last summer, Ronnie Larsen, Al Rabin, and George Graham represented WTHS at the regional leadership camp. Lorraine Woods attended the district camp in Michigan, while Tanya Davis attended the national convention in New York. Both girls represented Lake County.

Math Majors Acquire Extra Skills



WORKING under the direction of Mr. Walter Barczewski are two slide rule clubs, one for beginners and one for advanced students. The beginning club which meets every Wednesday night in room 225, is open to those who are just learning to use the slide rule. The advanced club meets every Thursday and is conducted for students who have gained some skill in using the instrument.

The slide rule provides a short-cut to solving any mathematical problem. Mastery of its use is a supplement to other skills taught in high school math classes. Both clubs try to broaden the interest of the student in the mathematical field. The meetings are made interesting by an occasional speaker who explains the use of the slide rule in business. The main social event was the "January Thaw", an after game dance co-sponsored with the German Club.

Sss, crackle. That is the noise you may hear coming from 310, the room where the members of the Radio Club meet every first and third Tuesday of the month. The purpose of the club is to encourage and give help to amateur radio hams. The sponsors were Mr. Ward James and Mr. James Staker. The club officers were: Ronnie Larsen, president; Holms, vice-president; and last but not least Agnes Zetterman, secretary and treasurer. The Radio Club sponsored an after-game dance in February. This club is working diligently to fix a room of their own where they may have their transmitter and other equipment. If you are at all interested in radio work, this is an excellent club to join.

Printers Promote Graphic Arts Study

EVERY second and fourth Tuesday, the members of the Graphic Arts club have a meeting in the print shop. With the help of their sponsor, Mr. Schoenoff, the boys promote fellowship among printing students and present educational opportunities in the Graphic Arts field. This year the club took a trip to Racine, Wisconsin, on November 21, 1951, to visit the Western Printing and Lithographing Company. Twenty-eight boys made this worthwhile trip for the purpose of learning how the printing machines and other equipment were operated in a modern print shop. A Christmas party was held on the last meeting in December. Refreshments were served after the regular business meeting.

The first semester officers were: Rudy Glogovsky, president; Charles Groot, vice-president; Jack Pettis, secretary; and Egan Sorenson, treasurer. Officers for the second semester were: Richard Turk, president; Paul Aidikonis, vice-president; Jack Pettis, secretary; and Pierre Simonian, treasurer.

History Club Leads In School Activities

UNDER the advisory guidance of Mr. Roy Hurd, the History Club, consisting of 215 members, meets every second and fourth Tuesday of each month in the Little Theater. This club sets and accomplishes its aim of developing citizenship, promoting citizenship and service to the community and school. Two good examples are the work done towards the Community Chest Drive and the collection of clothing for the Piney Woods School in Mississippi.

Officers for the first semester were: Joan Olson, president; Lois Johnson, vice president; Jane Larson, secretary; Judy Fredrickson, treasurer; Barbara Gerzel and Peggy Totterdell, directors; Tanya Davis, historian; and Barbara Waldorf, program chairman.

This year the club sponsored a reunion banquet, a trip to Chicago, a long spring trip to the East and an assembly. Any Junior or Senior can join this club and enjoy its activities. Student entertainment, movies, and slides are provided for the regular meetings; and refreshments are usually served.

The Annual Fall Show, "Wildhorn", was of a young girl who goes to a Dude Ranch to find romance and adventure. The combination of good talent and the right leadership made this show a top hit. Lorraine Woods, director, deserves a big hand for doing such a good job.

'Wildhorn' Show Makes Musical History

More than 100 students appeared in the 1951 History Club Show. "Wildhorn." The show, written and directed by Lorraine Woods, was held November 16 and 17. The western, a three act review took place on the dude-ranch, Wildhorn. Four chorus lines, one for each class, were introduced. Perhaps the most spectacular of the four was the freshman Indian chorus, as they performed in white-clad costumes in the pitch-darkness of the night. The only lighting in the scene was the campfire light. Other choruses were the sophomores as Spanish dancers, the juniors as Cow Girls, and the seniors as waitresses. Outstanding performance at the record-breaking-attended show was the 16 piece swing-band directed by Bob Boettle.

Elected Board Stimulates Club Progress

ORGANIZED to supervise the club activities, the History Club Board of Directors, is composed of elected officers, plus two elected Board members. The Board meets at the beginning of the semester and plans the entire program for that semester. If the president finds it necessary to plan further activities or another problem arises, a special meeting may be called. Such activities as the History Club show and director, the fall trip, and Christmas contributions to Piney Woods, the banquet, and the spring trip are mapped by this board. It has been found a quite satisfactory organization since the History Club boasts the largest working membership of any WTHS club. Continuous activities, both at meetings and outside activities must be found to hold the interest of the members. The program chairman has exclusive charge of entertainment at meetings. Other chairmen are selected by the board to supervise special activities.

LAST fall over a hundred members of the History Club started out early on a Saturday morning for Northwestern University. They arrived at the university about ten o'clock, divided into groups and toured the complete campus. At noon the group met in the cafeteria at Scott Hall for lunch. After lunch they set out for Chicago and the Schubert Theater to see the most talked about play, "South Pacific." Following the show everyone assembled on stage to meet Janet Blair and Richard Eastham who were the leading stars in "South Pacific." The clubbers then boarded the buses for the return trip home.

Soiree a Paris, Annual Banquet Scene

SOIREE a Paris, the 27th History Club Annual Banquet, was held on January 19th in the school cafeteria. The menus consisted of tasty Parisian dishes from the Hors-d'ouvre to the Bonbons a la menthe. During the meal there were a few speeches from Alumni and presentation of guests. Community singing lead by Mr. Hurd, a solo by Jeanette Kalanovsky, and slides of Paris scenes were the last part of the program in the cafeteria. There was a French skit put on in the Junior Assembly after the dinner. The skit revolved around a young couple visiting a cafe in France and all the different entertainment which would be seen. The entertainment was a toe dance, a few folk songs sung by a quartet from the French Club, a vocal solo, band accompanist and several other selections, and last but not least the noted French Can Can line.

The group left Edison Court station at 1:00 p.m. on April 9, and transferred to the Trail Blazer at Union Station in Chicago. Thursday noon they arrived at Washington, D.C., and toured the city. The high points of interest were the Washington Monument, the Capitol, the Lincoln Memorial, Washington's Mansion at Mount Vernon, Virginia, and Arlington Cemetary. Saturday morning they left Washington and arrived in New York City at 1:00 p.m. Upon arrival the group took a tour of New York in special buses and saw many interesting places. Some of these were St. John the Divine's Cathedral, Rockefeller Center, Radio City Music Hall, the Bowery, Fifth Avenue, and the Empire State Building. Monday afternoon they left New York and arrived in Waukegan at noon on April 15th.

Crossed Sabres Is Honorary ROTC Unit

CROSSED Sabres membership is open to the entire corps including the girl sponsors. Candidates are selected by members of the club on the basis of citizenship, scholarship, and proper military attitude. After nominating a group of cadet candidates, the members then choose the new Crossed Sabres members by ballot. The main social event of the year was the Military Ball. Under the direction of S.F.C. Frank J. Pietras, M/Sgt. Clyde Collins and the members of the club, the Military Ball was again a success. The work was alotted to a number of committees, each headed by a chairman. At the Homecoming in October, the Crossed Sabres entry won the trophy with the best float for the second year in succession.

Working with him are Frank Reckendorf, vice president; Rosemary Vignernie secretary; Mary Bonaparte, treasurer; and Wayne Van Heirseele, reporter.

On September 27, the club sponsored an after game dance with Bob Boettle and his "Teensters".

The Annual Convention was held in Springfield, Illinois, February 29 through March 1. It was attended by two delegates, Wayne Van Heirseele and Eugene Kilger. They were accompanied by Mr. Bixler and two other students.

The Employer and Employee's Dinner was April 29, 1952. Under the supervision of Mr. Renyo Bixler, and with the assistance of the Waukegan Chamber of Commerce this affair was a big success. Charles Mason was committee chairman and Rudy Bandovich, Dolores Knox, and John Lavris served as heads of the committees.

DOWN the language corridor, to the left, down the stairs and into the Girls' League Club Room is a familiar trip for the 100 members of this club. During the month of August Marilyn Colberg spent her time and effort in fixing up the club room so that it would be a pleasant place in which to have their meetings.

September meant the first activity of the year, as they prepared for the Freshmen Tea. A style show and cokes were enjoyed by the girls after their first day of high school. As October rolled around, the members were busy with their first activity meeting, and sponsored "Autumn Serenade," an all evening dance. Char Peterson, Meline Pilibosian, Donna Rowling and Barbara Taylor helped with the dance.

November was the magazine drive of which Mary Lou Werner was chairman and the highest salesman, Sheila Povey. They also sent Thanksgiving baskets to needy families in Waukegan. Joan Olson was the speaker of the activity meeting which was held in January. The "Chocolate Chat" was enjoyed by many girls in the month of February. In March the Cancer Drive was held and the committee chairmen were Judy Wilson and Nancy Blumberg.

Peppers Add Vim To Sports Activities

PERHAPS the most enthusiastic group of students at WTHS is the Peppers' Club. A combination of cheerleaders and peppy rooters, this organization has gone a long way in promoting school spirit. With Mrs. Victoria Ford as the Peppers' advisor, and Mrs. Miriam Jones as the cheer advisor, the club sponsored what was one of the greatest Homecoming spectacles ever staged at Waukegan. Consisting of an assembly, a bon-fire rally, and a parade, sponsored by the Junior Chamber of Commerce, the affair was climaxed by the football game against Evanston, and closed with the dance to the theme of Indian Summer.

Officers for the year were: Loretta Wasil, president; Jean Prowett, vice-president; Janice Sekulich, secretary; and Audrey Borkenhagen, treasurer.

Meet Two 'W' Bands and Orchestra

UNDER the direction of Otto Graham the Concert Band prepares for the annual fall and spring concerts and the assemblies, football and basketball games. The band presented for the first time in any high school the score from "Guys and Dolls". The soloists for the concerts were Gerald Anderson, Robert Butkus, Paul Wille, and Stanley Ackerman. Director Graham says that the band of 1951-1952 has been tops.

The Junior Band works on basic principles and aspires to attain the goal of becoming members of the Concert Band.

W.T.H.S. has a fine orchestra which gives the music minded students an opportunity to better their musical education. Its leader is Mr. Otto Graham.

Win Honors In District, State Contests

First division winners of the district contest competed in the state finals, on April 25ths and 26th. The ISHA office in Chicago announced that there would be close to 4000 music contestants in Urbana for the state contest.

Stanley Ackerman was voted the most valuable and best musician in the Concert Band, and Paul Wille was voted the second best. This was one of the better years in winning first places. In fact, it is the highest percentage of firsts our school has won at the District Contest.

A Cappella and Concert Choirs are under the efficient direction of Leslie Gilkey. The choirs are selected by try-outs on a basis of voice and music reading ability. These choirs have added the musical note to many assemblies during the school year. A Cappella Choir has made many appearances at church organizations and on the radio.

Two concerts are given yearly in the Little Theater. The choirs' performance of selections from the Messiah at the fall concert will long be remembered by those attending. Two soloists, Ray Rukstales singing "The Blind Ploughman" and Helen Pynnonen singing "My Heart At Thy Sweet Voice," were the highlights of the spring concert.

Treble Clef and Bass Clef are also selected on the basis of music reading ability and voice. These groups forego their lunch-study period in order to meet in Mr. Leslie Gilkey's room to practice.

Treble Clef consists of eight blended voices chosen from members of the A Cappella Choir. Bass Clef is comprised of approximately twenty-five boys most of whom belong to the choirs. Many times during the school year the Treble Clef and the Bass Clef were invited to sing at various churches, civic clubs, and on the radio. These two musical groups also participate in the annual spring and fall concerts.

"Army Blue," the song of West Point Military Academy ,was sung by the Bass Clef at the fall concert. The singing of this rousing song stirred everyone. "Every Flower," which was sung by Treble Clef at the Spring Concert, was enjoyed immensely by the audience.

Athletics

In athletic activities and sports contests the characteristics commonly attributed to the bulldog are especially significant. Tenacity, endurance, and fight are qualities necessary for success in sports and in life situations alike. But these attributes must always be tempered with good sportsmanship.

THE aim of the "W" Club is to promote leadership and sportsmanship among the boys at WTHS. Their program is designed to serve the school and community in worthwhile projects. One project that this organization participated in was the polio drive. The boys distributed the cartons and picked them up a month later.

The "W" Club has been re-organized since last year. In order to become a member, a boy must win a minor or major letter and be voted in by the members of the club. Meetings are held the first and third Thursdays of the month in the Girls' League Clubroom. At the meetings the boys discuss current and future events on the clubs' calendar. The bright spots on the calendar are the winter date dance and the spring banquet. Between 100 and 125 boys are members of the present, re-organized "W" Club. These boys are waiting for the day to come when they will have the use of their own meeting place.

Cross Country Teams Build Stamina

Led by Larry Barrett, the Varsity Cross Country team won two dual meets out of four. The team took third in a triangular meet in Evanston and second in a triangular meet held at Kenosha. The Frosh-Soph team won one of its four meets. Larry Barrett won all but one meet, including victories in the League event held in Oak Park and the district contest held at Maine. Barrett lost his only meet in Kenosha, but avenged this defeat by winning the annual Thanksgiving event, also held in Kenosha, by seven blocks. He placed third in the State competition.

1951 BULLDOG MEET RECORD

Wheaton Relays	10 Points
Mooseheart Relays	18 Points
District (27½ Pts.)	4th Place
Lake County (61-1/5 Pts.)	1st Place
Suburban League (27 Pts.)	4th Place

UNDER the guidance of coaches Steve Drew, Norm Rickard and Larry Brainard the Waukegan Varsity cindermen had an exceptionally good season. The Bulldogs won five out of six dual meets. To start the season the trackmen scored five points in the Oak Park Relays. When the regular season started, the cindermen won three in a row from Kenosha, Niles, and Proviso respectively. In a quadrangular meet held at Evanston, the Bulldogs finished third. Then they beat New Trier 69-44. At the Wheaton Relays, the team garnered ten points. The Evanston meet was next, and it was here that the Bulldogs lost their only dual meet. The Wildkits went home with a close 60-53 decision over the Bulldogs. In a triangular meet between New Trier, Highland Park, and Waukegan, the team got second place. In the Mooseheart Relays, the Bulldogs won eighteen points. The district meet was held at Evanston. The "W" cindermen placed fourth with 27½ points. Waukegan then went to Highland Park for a dual meet. Here the Bulldogs trounced the Parkers 67½-45½. Waukegan again dominated the Lake County track meet for the sixth year in a row by piling up 61-1/5 points. At Oak Park for the final meet of the season, the Suburban League meet, Waukegan placed fourth with 27 points.

During the 1951 season, four records were broken. Jim Francis broke two, in the 120 high hurdles, and the 180 low hurdles. In the Lake County meet, Larry Barrett ran the mile in 4:41 which was a new county record. The fourth record was set by the Medley team, made up of Roger Jackson, Jim Francis, Glenn Mitchell and Larry Barrett.

Frosh-Soph Cindermen Set Fair Record

THE 1951 Sophomore track team had a fair season, winning, two out of five dual meets. They won their first two meets of the season. The victims of the Sophs were Proviso 53½-50½, and Zion 72-36. The next two meets were lost to New Trier and Evanston by decisive scores. In the Frosh-Soph North Shore Meet the locals won third place with a total of 31½ points.

THE Waukegan linksmen had a very successful season. They lost two matches to New Trier and Highland Park. One tie was with Evanston. The first match was with Morton. The "W" linksmen won 14½-½. They won four in a row before tying Evanston at 7½-7½. The district meet was held at Highland Park. Here the Bulldogs earned fifth place. Coach Stanley Tomkovick's team then lost their only two matches of the season. In the Suburban League meet held at Morton, Waukegan garnered second place. The medalist for Waukegan in this tournament was Frank Glogovsky. Coach Tomkovick hopes to win the Suburban League golf championship with a much improved team this year.

When spring arrives, all boys interested in tennis report to Coach Jean Fortier. The Freshmen and Sophomores practice at Belvidere Park, while the Varsity practice at Weiss Field. Since there are only a few boys that go to the matches, the team usually travels by car. When beginning the season, Coach Fortier shows all players the correct technique in holding a racket and the proper strokes. The boys practice faithfully every afternoon in preparation for their interschool matches. The freshmen training emphasizes the fundamentals of the game. When they become sophomores, they begin league competition.

Three varsity lettermen will return to Coach Fortier's netmen for the 1952 season, including Ronnie Sondee, James Warnecke, and Allan Jacobs. These boys along with the Sophs of last year will make up the nucleus of the 1952 Varsity. Coach Fortier's netmen won four out of nine matches during 1951, including a shutout win over Morton. In the district meet held at Evanston the Waukegan team placed fifth. The Soph and Varsity teams went to Oak Park for the Suburban League meet at the close of the season and took sixth and fourth places respectively. In Suburban League competition, the Sophs lost all of their matches.

PLAY ball! That's what our Varsity baseball team did in taking third place in state competition. After winning both the district and sectional, this team went down State, rating underdogs, to beat Lane Tech 2 to 1, but lost to Alton 3 to 0. Bob Galvin pitched miraculously against Lane Tech, while Tony Ello just couldn't keep the bats quiet from Alton the next night. During the regular season schedule, the Bulldogs won 4 and lost 10: altogether winning 10 and losing 11. The leading hitters were Dan Kilbane and Jim Stanczak and the leading pitcher was Bob Galvin.

"Hit that old apple!" shouts Coach John Burnison during an important part of a Sophomore baseball game. During the Suburban League season, the Puppies took two of their six games.

Coach Bay's Freshmen had a nearly perfect season as they won eight out of nine starts. It looks like this team may be the state champions that Coach Damos has been looking for.

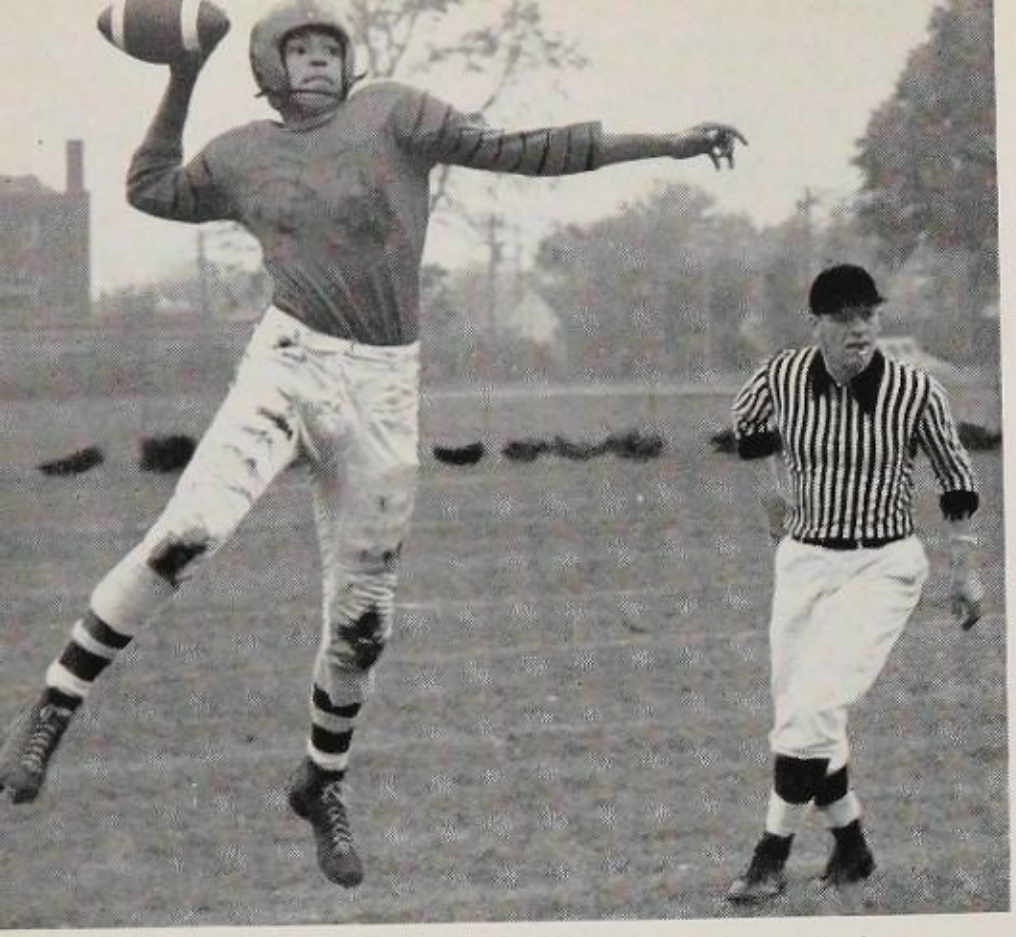
Burnison's 1951 Gridmen Top 25 Year Record



Above: Quarterback Jim Epperson leaping up to throw a pass against Evanston. The Bulldog Varsity suffered a 20-7 defeat at the hands of the Wildkits.

"OPEN a hole in that line," John Burnison, Varsity football mentor, orders his linemen. And open a hole they did, winning six of their eight games. The Bulldogs lost only to Oak Park, 26-7, and to Evanston, the number one team in the state, 20-7. This is the second time in twenty-five years, that the Bulldogs have had as successful a season, the last time being in 1946 when they won eight of their nine games.

The Junior Varsity football squad did not have too bad a season during 1951. They won two and lost five games including a 6-0 victory over the Zion Varsity. The J-V's lost most of their games by less than six points. Most of the Junior Varsity hope to have had enough experience; so that they may be able to make first string Varsity in 1953.

Frosh-Soph Teams Show Real Promise

THE Sophomore football team, coached by Paul Burke and Larry Brainard, won two games, lost one, and tied one. The Puppies started off on the right foot by winning their first two games. They lost all of the rest of their games, with the exception of the Highland Park game, which the Puppies tied at 12-12. With a little more co-ordination this team could win the Suburban League football championship.

Coached by Homer Hankenson, Al Grosche, and Jean Fortier, the Freshman football team won two games, lost four and tied one. The one tie was against Lake Forest. The Freshman reserves won one out of three games. They whipped Grayslake 25-0, but lost to Zion twice, 13-6, and 19-0.

Bulldog Swimmer Wins State Honors

COACH Norm Rickard for the first time in five years had a boy place in the State swimming meet. Joe Zavasky came from behind to place fourth in the 150 yard Individual Medley. The varsity team won only two out of eleven meets. Varsity records were broken by George Callison, Joe Zavasky, and Ken Epker. Two soph records were broken by Wayne Lindemann and Tom Hall.

COACHES Ott Bay and Homer Hankenson had a very exceptional season during 1951-1952. The varsity team won twelve, lost three and tied one. Larry TenPas led the Waukegan team to a first place tie in the sectional and second place in state. TenPas has scored forty-seven straight wins since his sophomore year.

COACH Chuck Reid's cagemen had an average season during 1951-1952. The Bulldogs copped seven out of eighteen games. The team bowed out of the Regionals in the first round against Niles. The Reidmen ended the game with three men on the floor, seven having fouled out during the contest. Toward the end of the season, the Bulldogs played Hebron. The state champions beat the Bulldogs 61-46. Coach Reid looks toward next season and hopes to have a better record.

Steve Drew's 1951-1952 Junior Varsity had a fairly good season. The J.V.'s won eight out of fourteen games. Varsity Coach Reid hopes that these boys have had enough experience to build a championship team.

Puppies Activity Provides Excitement

COACH John Burnison and his Sophomore quintet won seven and lost nine games during the 1951-1952 season. The Sophomores lost two games by one point. These games were to Oak Park, 55-54 and to the league champion, Evanston, 33-32.

The two Freshmen teams had excellent records in 1951-1952. The Freshmen Varsity won twelve and lost only five games. The Freshmen Reserves won nine out of eleven. The only loses were to New Trier and Oak Park. Coaches Fortier and Grosche made the boys work hard in practice, but it paid off. John Burnison, coach of the sophs, looks toward next season with high hopes of winning the Sophomore Suburban League Championship.

GAA Promotes Girls' Sports Program

"Every girl is true to the white and the blue."

If you happen to walk past the G.A.A. club room the first Friday of any month you probably will hear the above words being sung by a large number of feminine voices. This is not the vocal group, it is the G.A.A. girls singing their club song.

The club meets the first Friday of every month in the G.A.A. club room at 3:40. The officers preside over the business meeting at which time the club activities are planned. Mrs. E. Mugerditchian is the club sponsor.

On chairs: Shirley Van Laeke, Eleanor Nelson, Nancy Blumberg, Betty Stokesberry, Roslyn Elk, Alice Minassian, Evelyn Saam, Betty Derreberry, Joan Moran are putting their efforts to knitting between the sports seasons.

Featuring A Variety of Activities

EACH girl works to earn her awards. These awards are a pin for 100 points, numerals for 500 points, a "W" for 1000 points, the state "I" for 1200 points, and last but not least the state emblem. The girls earn these points by participating in sports after school. The sports change every time the seasons change. Each girl earns four points for one hour out for a sport. She must spend four hours at a sport in order to earn any points at all.

Besides sports the club sponsors many other activities. To start the year off the G.A.A. sponsored a Freshman party, at which the Freshman were given a general idea of the club's activities. The freshman party was followed by one party a month. These parties varied according to the month.

Five Live Sports Groups

AMONG the outstanding events of the year was a play day at which five schools from this area participated. G.A.A. also had a Halloween party and a Christmas party. In January they went to see the ice show in Chicago. Some of the activities after the ice show were a costume party and a get-together in April. On May 14 the G.A.A. had its most important occasion, the Senior Banquet.

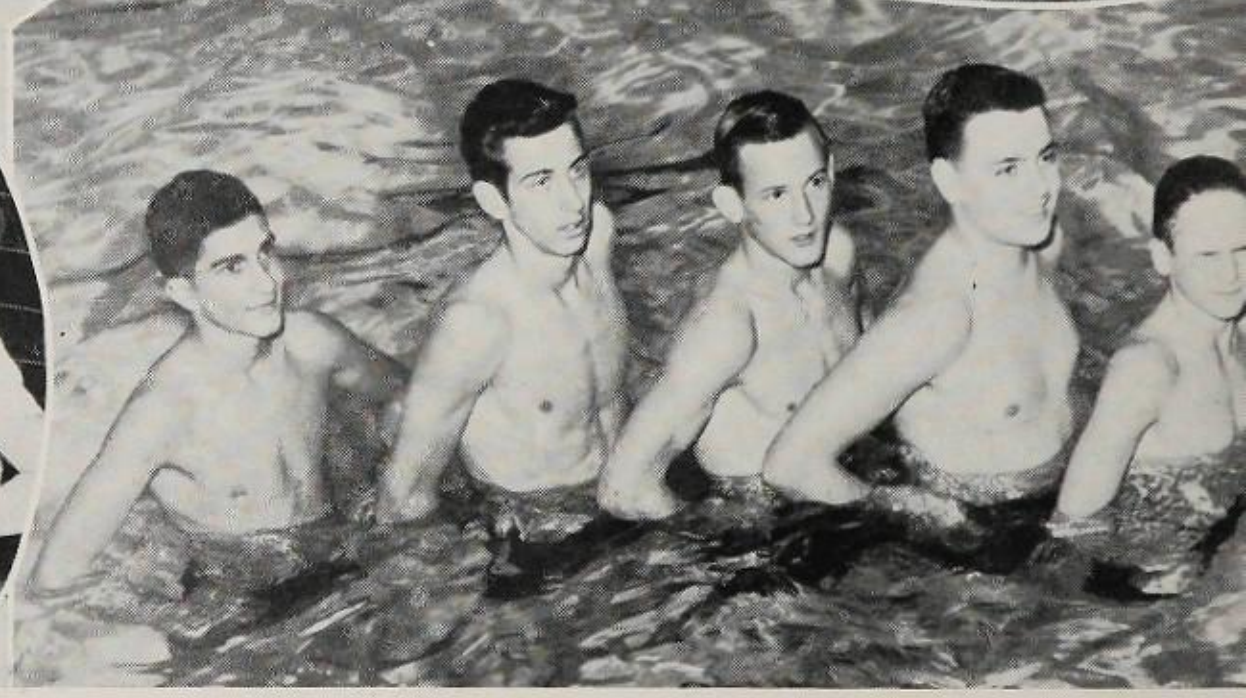
'Aqua Escapades' By Dolphins Was Tops

If you should pass the swimming pool in the late afternoon after March 1st, you would be likely to hear the splashing as the girls hit the water. The girls you hear are the members of the Dolphin Club who are getting ready for their annual water show. To qualify for this club, you have to pass regular Life Saving tests. After passing these tests you are voted on by the members of the club. They meet whenever the president, who is Dolores Knox, calls a meeting. The other officers are vice president, Charlene Rehor and Secretary and Treasurer, Ann Freund. The woman responsible for the sponsorship of this club is Mrs. Randolph. Getting back to the water show, this year they had a live band to furnish the music. Their shows are always very good, and they attract a large audience.

This year's show was presented on May 9 and 10, the title was Aqua Escapades. It is the story of a convict, who travels from country to country. As he is travelling he sees the different types of dances that these countries have. The water show is written and produced by the Dolphins.

Intramural Sports Program Is Popular



Picture upper left, HORSESHOE WINNERS. Left to right: Mike Sekulich, sophomore; Ray Rukstales, junior-senior and all-school champ; Willie Thompson, freshman winner.

THE Intramural Sports program continues to provide sport activities for boys who are not active in interscholastic events at any particular time. During 1951-52 nearly 500 boys participated; this figure does not include any overlapping in the various activities. With overlapping the total number participating during the year approaches 700. This year badminton and a pentathlon meet were added to bring the total number of sport activities to twelve. The other ten sports include golf, touch football, horseshoes, swimming, wrestling, bowling, basketball, ping pong, soft ball and a track and field meet.

The 1951-52 Intramural program included several other activities. The group sponsored an after-game dance, made its annual trip to Chicago Stadium for a doubleheader

basketball game, sponsored the successful Harlem Globetrotter basketball game, sold programs at all home basketball games, provided dancing instructions with the assistance of Student Council, and made a trip to Chicago this spring for a big league baseball game.

Basketball continues to attract the largest number of boys. During the past year 213 boys participated in one of the three intramural basketball leagues: freshman, sophomore or junior-senior. The freshman league winner was the Traveling Salesmen; Jim Gonzales was the leading scorer with 184 points. The Cuties won the sophomore league title; Warner Springs led the scoring with 244 points. In the junior-senior loop the Crack Shots captured league honors; Phil Ruffalo was top scorer with 199 points.

Bowling took a tremendous jump in interest with a total of 111 boys bowling on sixteen teams in two divisions. The 500 Boys were the winners of the Tuesday division, while the Pin Crushers won the Wednesday division title. Wayne Ekkela established a new bowling record by completing the season with a 175 average. Ted Rogaczuk also established a new single game record when he bowled a 244 game.

The program is handled by Dick Brett and John Wright with assistance by Ott Bay, Larry Brainard, Steve Drew, Homer Hankerson, Norm Rickard and Stanley Tomkovick.

Student Officers Head Local Cadet Corps

Above, CADET STAFF OFFICERS. Seated: Lt. Col. Louis Koschak, Colonel Raymond DeThorne, Major Richard Asma. Standing: Major Charles Mason, Major Jerome Onan.

THE present Reserve Officer's Training unit was chartered by the War Department and adopted by the Waukegan Township High School Board in 1918.

The complete course of instruction in the unit comprises three years. The first two of the three are compulsory and the third year, pursued by interested cadets on a voluntary basis, offers excellent opportunity for leadership and character development, for now the cadet aspires to become a cadet officer and such be an example to the rest of the corps, both in Military subjects, scholastic program, deportment and attitude.

Instruction of all military classes is done by the Military Staff assigned by the Department of Army. The instructors are: Lt. Col. D. W. Iunghuhn, P.M.S.&T.; Capt. George Costa, ass't. P.M.S.&T.; Capt. Robt. B. Haller, ass't. P.M.S&T.; M/Sgt. Russell E. Kraus, Sergeant Major; M/Sgt. Ralph G. Grant, Instructor; M/Sgt. Grant B. Gonyo, Instructor; M/Sgt. Vernon Mugerditchian, Instructor; M/Sgt. Clyde Collins, Instructor; S.F.C. Howard A. Klister, Instructor; S.F.C. Frank J. Pietras, Ordnance Sergeant.

Girl Cadets Sponsor ROTC Regiment

ROW 2: Capt. Loretta Wasil, Capt. Shirley Campbell, Capt. Barbara Pottala, Colonel Mary Lou Werner, Capt. Sonja Kuoppala, Capt. Dolores Bramm.

THE twelve Honorary Girl Cadets serve as an auxiliary to the Regiment. Designated as sponsors for the Cadet Corps, the girls play an important role. Under the direction of M/Sgt. Kraus, the girls do filing, keep cadet records, and do correspondence work. Each year one of the girls is selected to be Honorary Cadet Colonel. This is the highest honor a girl can attain in R.O.T.C. Included in the services of the Cadet Sponsors is working on the Military Ball and taking charge of concession stands at the football games. The girl cadets are chosen by popular vote from a list of candidates selected on the basis of leadership, grades, personality, and participation in extra curricular activities. Promotions are granted on the basis of meritorious service.

ROW 4: Diaguila, Wilson, Petrovic, Eifert, Ekstrand, Ahart, Selfton, Groat, with Col. DeThorne in command.

CAPTAIN GEORGE COSTA'S first year with the ROTC Rifle Team proved a successful one. The club won 11 out of 12 matches, for the best season in the school's history. Their only loss was to East Rockford and was the only time the team fired under 900. Capt. Costa's riflemen finished 3rd in the Fifth Army Interscholastic Match.

S.F.C. Howard A. Klister did an impressive job this year with the color guard and drill platoon. The color guard added dignity to all the assemblies, P.T.A. meetings, basketball, and football games.

Cadets Study Variety of Related Topics

CLASSROOM work constitutes a large place in the training in the ROTC. Every first year cadet is taught to take the M1 rifle apart and clean it. He also learns some first aid. The second year cadet is taught map reading, to take the B.A.R. apart and clean it, and marksmanship. An advanced map reading class is taught to all third year cadets. They also learn something about the use of the sand table for planning maneuvers. The cadets get information about the use and care of heavy weapons. Every cadet is taught courtesy, obedience, neatness, and respect.

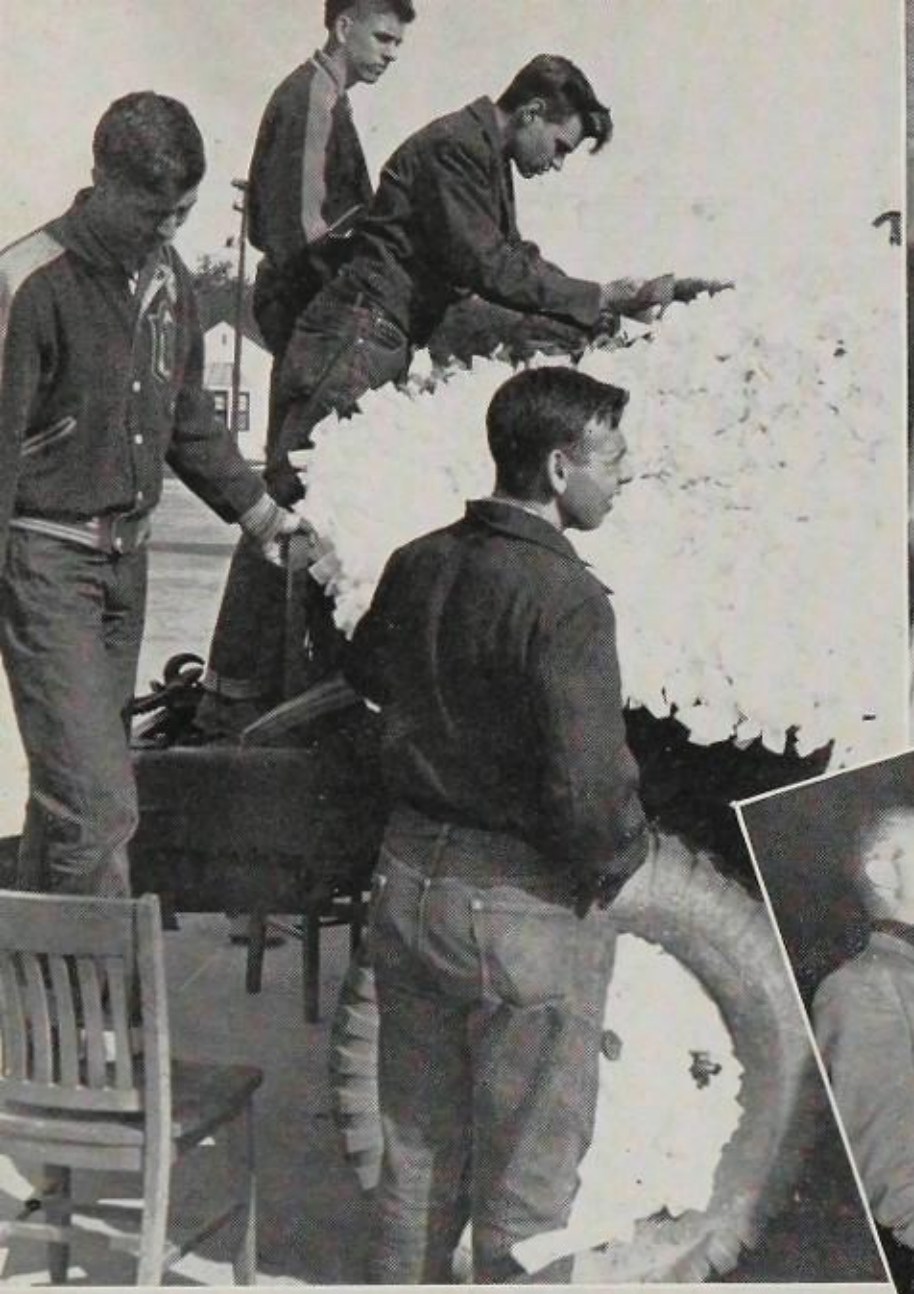
School Life

That all knowledge is not acquired from books, and that all learning is not confined to the classroom is an accepted truism at WTHS. The students' carefree capers about the campus can be a source of rich experience that will help make life more interesting and challenging in the years to come.



Gala Celebration Greets WTHS Alumni

Homecoming this year was one of the best held at WTHS. The affair started with a pep assembly on Friday afternoon. Friday night a parade through town and a bonfire rally climaxed the program. Saturday evening the gym was decorated to the theme "Indian Summer." Students and guests danced to the music of Frank Laurie.

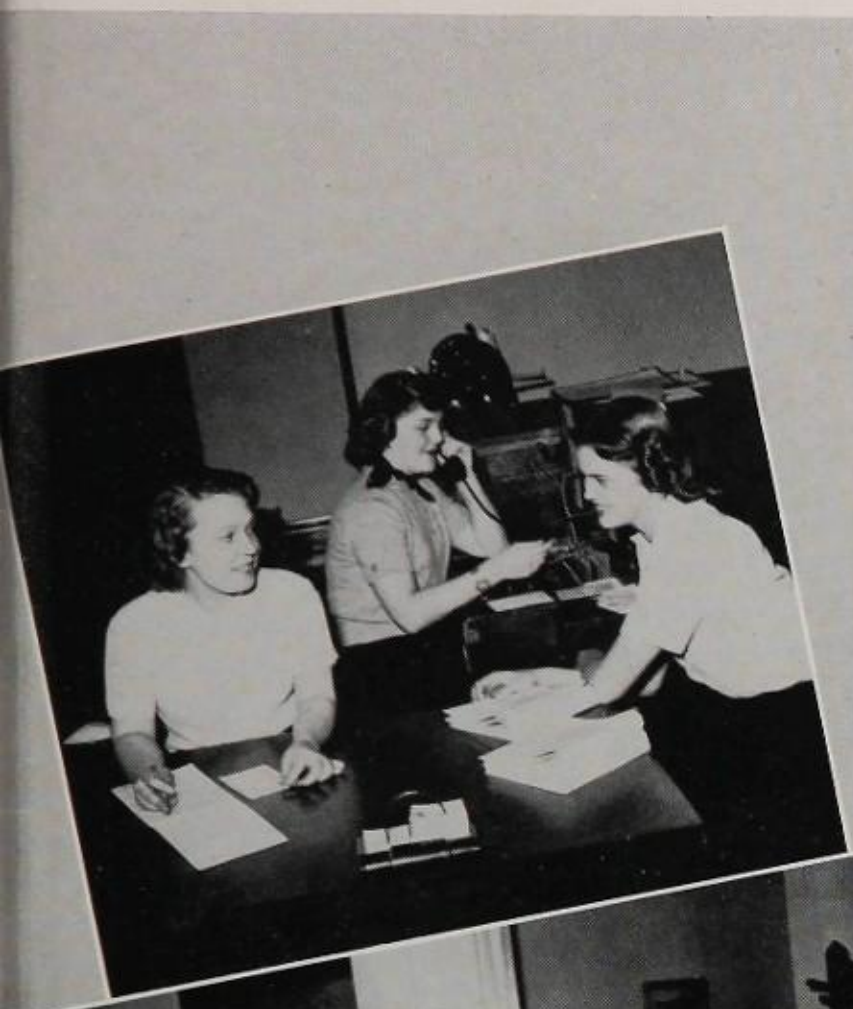
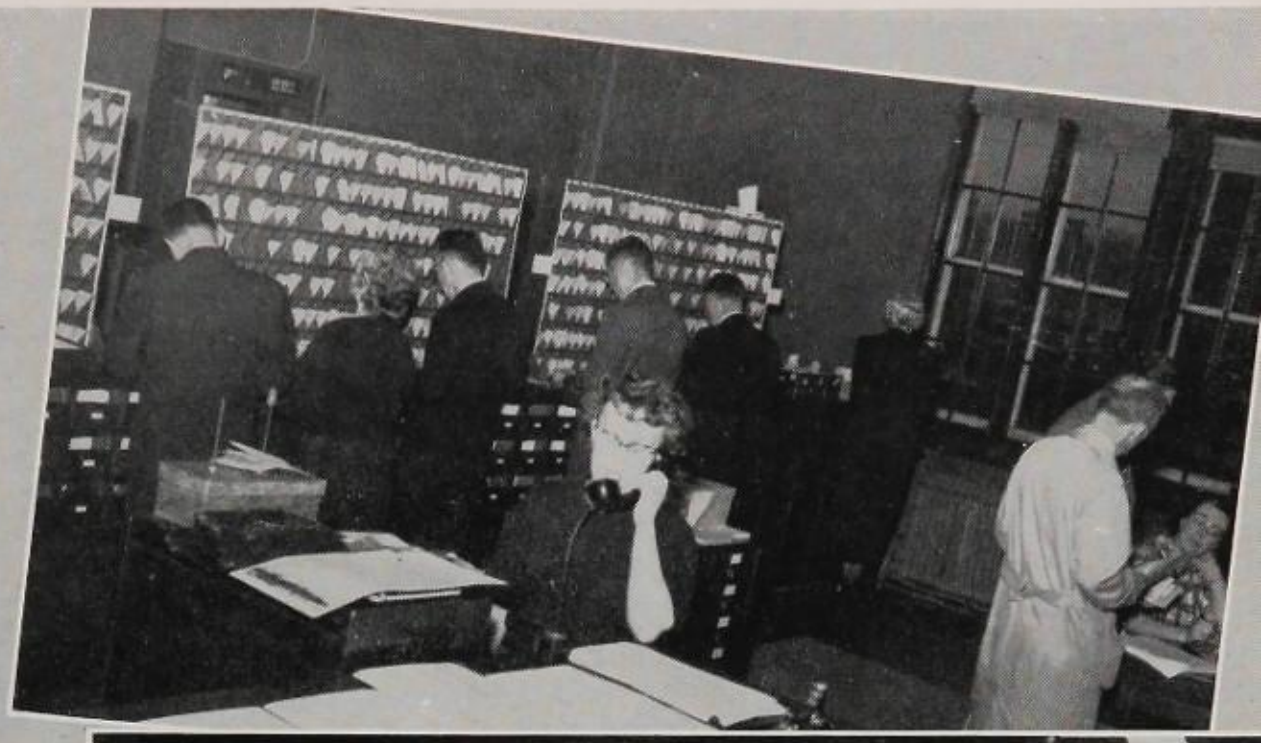
Lipnicke, Custom-bilt Mattress Co.; and Seymour Morrison, Globe Department Store, are the members of the panel that stressed the importance of good English, correct spelling, proper attitude toward work, and ability to get along with others.

Office Coordinates Daily Activities





The student office assistants are very essential; we depend a lot on them. The couriers pick up the absence slips, deliver office summons and run errands for teachers. The switchboard operator helps maintain communications between buildings and also with teachers and students calling out for various reasons.

Hoboes Rally at Mid-Year Recess

Right after semester exams comes the Hobo Rally. The best dressed Hoboes are crowned King and Queen of the event. A jitterbugging contest is staged to pick the best dancers. This is one of the dances that the students look forward to, not only because the exams are over, but for the fun that they have.

Faculty Whip Students In Benefit Tilt

In connection with the March of Dimes Drive some of the Freshman boys and members of the faculty staged a charity basketball game. It was held during seventh period, and all those who wished to go paid a quarter.

The band composed of teachers played before the game and during the half. The first aid squad consisted of three teachers who came out to give the men strength to finish the game. Two very spirited teachers led the cheers.

Strange as it may seem the faculty won the game by a respectable score. This game not only provided sore muscles for the teachers, fun for the students, but also a considerable amount of money for the March of Dimes.

Seniors Meet College Representatives

On the evening of December six, representatives from the various colleges came to WTHS for a meeting with the future college students. Each college representative had an assigned room where the students and their parents held their interview with the representative. The evening was broken into three periods of half an hour each. In this way the students were able to see representatives from any three colleges of their choice. That way the students were bettter able to decide which college they would like to attend.

HUNDREDS of fifty dollar bills circulated around WTHS April 24 and 26. Students were asked to examine the pictures of Grant to establish whether the bills were authentic or counterfeit. If Grant was smiling, the source of the bills was probably the prop chest of "Mr. Barry's Etchings." The entire comedy was a senior production written by Walter Bullock and Daniel Archer, and was directed by Miss Avis Youngberg.

Top picture, COMPLETE CAST. Left to right: Barbara Totterdell, Margaret Welsh, Rachel Junnila, Claudette Tubek, John McShane, Gwen Labus, Sondra Williams.

Drama Group Plays "Ladies In Retirement"

DURING the first semester Miss Melba Wixom and her radio workshop presented the mystery comedy, "Ladies in Retirement." The play opens as Ellen and Louisa, Leonora's two sisters, are living with Leonora in her country home. The two sisters are slightly unbalanced and quite often do comical things. Leonora's brother, who is in hiding from the police, also comes to spend the summer. He immediately falls in love with the maid, Lucy. They spend quite an exciting summer with many strange events occuring, one of which is the strangling of Leonora.

"Meet Me In St. Louis" Proves Smash Hit

At top left: Rose offers Mr. Dodge some "rat chewed" candy while he and Father are discussing the trip to New York.

At top right: Tootie and Agnes are discussing the trip to New York with their mother. ,

Lower left: Father is having a hard time managing his family. They violently oppose when he announces that they are moving to New York. Tootie is biting Mr. Dodge's leg.

Lower right. COMPLETE CAST. Standing: Jerry Rojo, Jerry Orbach, Joelle Wilson, Joan Pazereskis, Evelyn Saam, Joan Schardt, Joyce Satterfield, Jackie Hayes, LeRoy Gregory, Mary Zadigian, Jean Bradley, Joe Falotico. Sitting: Marilyn Fleming, Adrienne Matson, June VanTreeck, Joyce Widemeyer, Carol Wolf. Kneeling: John McShane, Dale Ludington, Jean Powell, Judy Jones, Barbara Berta, Kay Lowber.

UNDER the able direction of Miss Melba Wixom and Bernice Crosby, student director, and the cooperation of the cast, the comedy, "Meet Me In St. Louis" was presented April 24 and 26. These two evenings were thoroughly enjoyed as the play proved to be a smash hit.

As the first scene opens, Father is trying to decide the best way to tell his family that he has been transferred to the New York firm. When the news is broken, the family violently opposes. The girls plan how they can persuade Mr. Dodge, Father's boss, not to send him to New York. Some of their methods prove so drastic that Father loses his job. Finally, after a week of chaos, things get straightened out and Mr. Dodge, deciding that no family can be managed, gives Father back his job. The play ends happily as the girls and their dates go to the dance and the rest of the family is off to the World's Fair.
